Zeta Tuesday

I chose to be apart of Zeta Phi Eta not only for the help it will give me in terms of my major, but to also be apart of something special. If I sign up to be apart of something, I push myself to make the most out of it. Zeta is more than an organization to me; it is a 2nd family. After joining Zeta, I have realized just how much I enjoy putting a smile on the face of others. My goal is to work for the Mouse at Walt Disney World and put thousands of smiles on the faces of people from around the world everyday.
