Relations

Year: Sophomore

Favorite place on campus: Barnes and

Noble

Fun Fact: I specialize in car dance parties

Personal goal: I want to master my resume

Zeta Tuesday

I chose to become a member of Zeta Phi Eta because I saw it as a great opportunity not only for future internships and careers, but to make lasting friendships with people who have common interests. I have small term goals of earning another 4.0 and helping Zeta grow. Zeta Phi Eta is important to me because it has opened the door to friendships with some wonderful people while also helping me become more confident in what I want to do with my degree.
