

# MEET GINA

**Name:** Gina Todd

**Major:** Communication/ Broadcasting

**Year:** Junior

**Favorite place on campus:** Starbucks in the Union!

**Fun Fact:** I am really obsessed with brushing my teeth.

**Personal goal:** I hope to set a good example for all young members in Zeta, and be someone they look up to. They are the future of this fraternity and I want to inspire them to make Zeta Phi Eta a stronger organization on our campus!

**Zeta Tuesday**

I chose to bring Zeta Phi Eta to the university because I did not feel that CoCA had much of a presence on our campus. As communication students, our department should do a much better job at *communicating* (makes sense, huh?) and working together to keep students in our college involved. Zeta Phi Eta is important to me because I feel that it is the start of something powerful and amazing. We will make a name for ourselves at The University of Toledo and be just as successful as any other fraternity. I have faith in a bright future for the Beta Theta chapter!
